AUTHOR BIO:

Hi! I'm **holly nichols tabor**, a Triple Negative Breast Cancer Survivor and the author of ***Snapshots of Life: glimpses of joy as revealed in a journey through breast cancer***. I am also the frantic mom of four incredible, way-too-grownup sons; a mostly loving and sometimes compassionate wife of a very busy and positively phenomenal pilot; and a never- quite-good-enough child of the Creator of the Universe. Please check out my blog @ www.snapshotsoflifebook.com.
