RADIO RELEASE:

For Holly Nichols Tabor, August 21, 2009 was the beginning of a rather sudden and unwanted journey...the journey into the world of triple negative breast cancer. Arriving for her annual routine mammogram, she was rapidly whisked into the world of diagnostic machines, ultrasounds, biopsies, bruises, needles, and questions.

Follow this local woman as she seeks *glimpses of joy* in the midst of the trials and the fears of cancer treatment...and beyond.

Available at Amazon in April 2012. All proceeds go to the Atlanta Cancer Care Foundation.
